Our aim is to deliver craftsmanship that exceeds the expectations of our contractors and their customers. We want to create and maintain a work force that makes contractors want to be Union and owners want to build Union.

Meeting these goals requires that members understand and incorporate these values in their day-to-day performance. Accordingly, as a member of the Laborers' International Union of North America I agree to:

- Acquire the necessary skills through apprenticeship and/or training programs.
- Report promptly upon referral to a job and show up for work on time, ready willing and able to work.
- Be aware of and follow the Local Union's job referral rules.
- Avoid excessive absenteeism and excessive tardiness.
- Follow directions from supervisors.
- Do not be insubordinate;
- Give a fair day's work.
- Treat the Employer's and the customer's tools and property and those of fellow workers with respect.
- Avoid disruptions on the job by using the established procedures to resolve disputes.
- Understand and use safe practices and safety equipment.

I acknowledge this responsibility and pledge my work to do the same and acknowledge that I have received, and read, understand the Laborers' Code of Performance.
